

#GUNSAILSBUCKETLIST

VIDEO CONTEST

May 15th, 2019

A "bucket list" is a list of things you have never done in your life and would like to do in the future. We want to inspire you to start the new windsurfing season with concrete goals. No matter if you want to learn the "perfect jibe", try a front loop or just experience a common surf adventure with friends - we want to motivate you to take part in a unique challenge.

Therefore we created a video contest, where everyone is invited. It doesn't matter which equipment you use or what kind of level you have - the main thing is that you name your goal (verbally or in writing) at the beginning of the video and show how you achieve it - or at least try to achieve it! All you need is a camera, creativity and a bit of courage to follow your goals.

The video shouldn't be longer than 2 minutes and should be posted on one of your social media channels (Instagram, Facebook, Youtube or Vimeo) with the hashtag #GUNSAILSBUCKETLIST. With this hashtag you automatically take part in the competition. If you want to make sure that we have seen the clip, just send us an email with your video link to the following address: gunsails24@gunsails.de

The deadline for the video contest is 15th of august 2019. Shortly afterwards, a jury consisting of Andreas Erbe (Chief editor of the German Surf Magazine), Pierre Bouras (water camera man) and Jörg Müller (Head of GUNSAILS Marketing) will announce the best videos.

A tutorial video with further details and concrete examples can be found under the following link:

<https://gunsails.com/en/gunsailsbucketlist>

The 5 best videos will be rewarded with brand new 2019 Gunsails products worth of 1000€ as well as a one-week surf trip to Tarifa as the main prize.

Have fun on the water.

Your GUNSAILS Team.
