

# PORTOPOLLO ADVENTURE CAMP 2018

Sporting Club Sardinia, in cooperation with the ASD Terracqua, is organizing a windsurfing stage for kids between 8 and 14 years old. The adventure camp will offer the children the opportunity to learn 4 or more sea and land activities, interchanging ludic moments to theoretical and practical lessons. The constant practice of windsurfing, kayak, skate and climbing will make the Adventure camp a multidisciplinary camp. The daily life of the kids will be animated by our qualified staff with special laboratory aimed at the development of imagination and creativity. They will have the possibility to strengthen their social skill, learning how to behave and cooperate with the group, and to improve their self-consciousness learning and practicing new sport activities.

Every group of kids will be as much homogeneous as possible, considering age and sports experience, as to make the learning process easier and faster and to simplify the social interactions between the participan-

ts, stimulating the cooperation and the group spirit.

The cost for each participant is € 960,00 for one week, € 1730,00 for two weeks. The quote is comprehensive of: multidisciplinary sport activities, didactical material, sports equipment, accommodation in tent with Full Board treatment, the UISP partnership card and the chaperon. The quote does not include the trip and the extras.

## LOGISTIC

The kids will experience the magic atmosphere of the camping, guested in the comfortable tents of “La Jaciaredda” farm, situated in the breathtaking naturalistic scenery of Gallura. The base camp is equipped with kitchen and toilettes and the professional staff will take care of the group 24/24 hours. The meals will be prepared every day by a cooker with attention for any special nutritional need or allergy.

## CAMPS PERIODS

June from the 24th till the 1st of July

July from the 1st till the 7th

September from the 2nd till the 9th
